St. Joseph's.

Assisted by the Catholic Young Men's Association, the Ladies' Auxiliary of St. Joseph's Church will present the Historical drama "Joan of Arc" on Monday and Tuesday evenings May 6 and 7th. The entire net proceeds of the production will be contributed to the American Red Cross.

The remarkable success of the presentation of this drama a few weeks ago, inspired the members of the cast to repeat the play as it is especially interesting at this time, depicting, as it does, scenes of a French crisis of the 15th century.

There will be a special dress rehearsal on Sunday afternoon. Ladies' Auxiliary 43, will hold their regular meeting on Wednesday evening, May 8th. After the dress rehearsal a card party and waste candy booth will be held. Prizes will also be offered and luncheon served. All should attend.

BODY BUILDING TONIC HOLDS VAST STORE OF FOOD VALUE

Scientists Prove Father John's Medicine Is Five Times More Nourishing Than Many Common Foods We Eat.

That Father John's Medicine contains a vast store of food value and strength-building, energy-producing elements is established by recent scientific tests. This rich nourishment is in a form which is more easily taken up by the system than the common foods we eat and has many times greater food value.

When a scientist states the food value of any product, he does so in terms of "calories", which he defines as the amount of heat used to raise the temperature of one gram of water one degree. A teaspoonful of Father John's Medicine contains 25,715.76 calories. The same quantity of steak contains only 10,714 calories. By these tests also it was proven that Father John's Medicine is five times more nourishing than an equal quantity of cod fish, seven and one-half times more nourishing than an equal quantity of oysters and almost six times more nourishing than pure milk.

Because it supplies this nourishment which you do not obtain from your food and supplies it in the form which the system most easily takes up and turns into tissue, muscle, flesh and strength, Father John's Medicine has had more than sixty years of success as a food tonic for those who are weak and run down.

It is guaranteed that Father John's Medicine positively does not contain any alcohol or any dangerous, habit-forming drugs or opiates. It is a pure and wholesome, nourishing tonic food, a doctor's prescription, not a patent medicine. Begin taking it today.

Flowers and plants, seeds, bulbs, roots, fruit, shade and ornamental trees, lawn grass, seed potatoes, asparagus and rhabarb roots, grapevines, currants and all kinds of small fruits, fertilizers, spray pumps and spraying materials; azaleas, rhododendrons, magnolias, rose bushes, tree roses, clematis, bleeding heart, peonies, iris, phlox, larkspur, fox glove, etc.; all kinds of fancy evergreens, box and bay trees. Nursery office and floral department, basement. Storage and packing sheds, Minerva Place, rear of store. Central Floral and Nursery Depot.
