ROCHESTER ORCHESTRA

Margaret Matzenauer, Noted Prima Donna, To Sing at Concert December 30th.

Margaret Matzenauer, the great prima donna of the Metropolitan Opera Company, whose phenomenal voice and marvelous vocal adaptability defy classification and have placed her in a position unique in the musical world, will be the soloist at the concert of the Rochester Orchestra, Hermann Dossenbach, conductor, at Convention Hall on Monday evening, December 30th.

Mme. Matzenauer comes by her great gifts most logically, as her father was a director of the Royal Theater orchestra and her mother a singer in the opera house of the small town in Hungary where she was born. With this combination of inherited musical talent, it is small wonder that at 20 she made her operatic debut at Strassburg as "Puck" in "Oberon". Three years later she received a call to the Court Theater in Munich, a signal honor. For seven years the leading contralto at the Wagner Festivals in Prince Regenten Theater in Munich, and during that time guest singer in the leading cities of Europe, she came to America at the request of the Metropolitan Opera Company, making her debut here in 1911 as "Amneris" in "Aida" and having been re-engaged for every season since.

During her distinguished career, Mme. Matzenauer has won many decorations and medals from reigning European sovereigns, and though in this country her honors and distinctions have been accorded in a different form they have been none the less notable. Whether as the great prima donna or in the less pretentious role of song recitalist, Margaret Matzenauer has succeeded in winning the esteem and admiration of both audiences and critics—musicians and laymen—wherever she has appeared.

Director Dossenbach announces that the Rochester Orchestra will play at that concert the "Magic Flute" overture of Mozart; the "D Minor" symphony of Caesar Franck and the "Peer Gynt" suite by Grieg.
