CHOIR HAS WIDE REPERTORY

Program of Paulist Singers Not Confined to Ecclesiastical Music.

Although the Paulist Boy Chorists, who are due to appear here on January 29th, under the auspices of the Blessed Sacrament Church, are supposed to be just church singers, they have a wider repertory than church music. They sing many classical selections and some of a more popular character. Their entertainment, therefore, is not one for lovers of church or classical music alone, but for all music lovers.
