Sixteen couples were in attendance who enjoyed themselves immensely in 9 games of pedro, which were imbued with enjoyment and keen interest and primed with operatic airs poured forth from a huge gramophone. Ladies first prize was won by Mrs. Martin Wahland second prize by Mrs. Lester Munding and gentleman first prize was captured by Mr. Martin Wahl. The prize which the shoemaker threw at his wife—"the last prize"—or the "Booby" prize was won or rather earned by Big Ben Ehman after an evening of most strenuous efforts, turmoils, hard luck and "wouldn't that get yer goat" plays. But after all is said—'twas reported Mr. Ehman was an excellent pedro player except for his bidding and methods of plays, therefore it was unanimously resolved to present Mr. Ehman a new bright pedro deck for practice at home and with customers calling at his place of business, and it is our sincere wishes that Ben will pass the Booby honors along at the next party which will be held immediately after Lent.

FATHER JOHN'S MEDICINE IS A TONIC OF GREAT FOOD VALUE

Builds New Flesh and Strength Because of Real Nourishment it Contains.

A real tonic food like Father John's Medicine contains within itself the food properties and body-building nourishment which give renewed strength and flesh. Too many so-called "tonics" are merely stimulants of appetite and depend for their uplifting effect upon the other food which the patient may happen to eat.

Expert chemical tests have proven that Father John's Medicine is abounding in rich nourishment. A teaspoonful of Father John's Medicine is proven by these tests to contain six times more nourishment than the same quantity of pure milk, seven and one-half times more than the same quantity of oysters and two and one-half times more nourishment than beef steak.

Do not allow yourself to become weak, thin and run-down because when you are in this condition you are an easy victim to many different disease germs.

Because Father John's Medicine is guaranteed free from alcohol or dangerous drugs in any form, it is the safe medicine for you to use.

A SPRING PAINT REALITY

Never before were the buildings of Rochester in such a sad state of neglect and lack of repair, and need of paint. We believe, also, that never before were the people so well informed on the importance of repainting their buildings which could hardly be replaced for twice their original cost.

You can well afford the use of CLARK QUALITY PAINT, not only to make your surroundings more cheerful, but above all to re-establish and improve your home and neighborhood thereby.

PAINTING is a mighty poor thing to neglect even if prices are a little higher than formerly.
