WASTED ENERGY

Why Some People With Large Appetites Fail To Gain Flesh

Many people who have large appetites never can seem to gain flesh or strength and the reason for this is because they get little nourishment from the food they eat. This means that the weakened system is unable to take up the nourishment which the food contains and this energy is wasted. If you want to gain flesh you must take a food that your weakened system can easily take up—such a food as Father John's Medicine which is absolutely pure and wholesome. Begin taking it today and see how you gain in weight and health. It is guaranteed free from alcohol or dangerous drugs in any form.

Start today taking Father John's Medicine after meals and at bedtime and see how promptly you gain weight and new strength.

The New Long Trousers High School Suits for Fellows From 15 to 20 Years Old

The manufacturer of these suits specializes in these sizes only. His knowledge of styles that appeal particularly to young men of this age, combined with first class workmanship, has resulted in some mighty smart suits.

The new waist line coat shown in the picture is very new and very popular in these long pants suits. You'll find here a big variety of all wool tweeds in grays, greens and browns.

Most of these suits have an extra pair of trousers, which means almost double wear and enables the boy to keep his suit in good repair constantly.

Two pant suits are priced at \$27.50 and \$28.50. Navy blue serge and other tweed suits with one pair of pants at \$19.50 and \$21.50.
