### City Parish News

Interesting Budget of Happenings Gathered by Our City Reporter

#### St. Basilian.

An extra monthly collection will be taken up Sunday at all masses.

An important meeting was held last Wednesday evening by the St. Herman's Benevolent Society. The C. M. B. A., Branch 80, will hold their semi-monthly meeting at the Parish Hall next Thursday evening at 8 o'clock.

The "Google-Goos" Girls Club, a popular organization of young women of this parish recently organized, held their first party and May walk to "Sneeka" Park, but they were unable to sneak into the Park as their merry chattering and "google-a-goos" soon attracted the attention of the officers of the highway—the blue coat man—and he mistaking the google goos for a crowd of kindergarten class who were on a wild rampage and became lost on the road of Wearie Willie, at once set in the direction of the "chattering children" with fond hopes and proud anticipation of being commended by his Captain and the proud mothers of the girls, but when he caught sight of the little girls with childish laugh and weary feet, to his sorrow and dismay, the glittering honors of returning the little waifs to their mother's lap soon vanished and he warned them not to allow themselves to be heard and then seen by a policeman with heart-trembling as it would result in sure death. After an appetizing lunch and good non-alcoholic thirst quencher, the young women enjoyed themselves in a game of lawn tennis, the under-teens beating the over-teens in a close and exciting contest. After a most enjoyable day they were taken home in their car—the old reliable and most economical—the N. Y. S. Ry. Line—Pay-as-you-enter.
