# Thirty-four Red Indians Scooting 'Round the Town

**ALL WITH SIDE CARS ATTACHED**

Have you noticed 'em. They constitute the new service equipment of the ever-progressive

## Rochester Railway and Light Co.

Their original purchase was thirty-two machines—they have added the other two during the past week.

### Why Did They Choose Indians?

Evidently because they figured Indians to be the most efficient and economical means of transportation available. The many exclusive mechanical features of the Indian appealed successfully to their good judgment. You will find in the above picture thirty-four good reasons why your choice should be the Indian. There are many other reasons equally good.

By the way, we have just delivered to the Rochester Telephone Co. their second Indian for this year, with electric equipment.

### Death's Reply.

Have you ever lost a loved one? Do you miss a bright and sunny smile? From a face whose kind expression never pictured lure or guile.

Are you always clinging to the thought, when the dear one you will meet? Has a lovely apparition ever 'roused you in your solitude so sweet.

#### MEMORIAL

Are you always dreaming, ever dreaming how the loved one you could save Forever and forever dreaming of the life beyond the grave.

In life's battle do you ever wonder why success with bravery is crowned? The heart that fights the losing fight, with everlasting fame is renowned. Are you forever thinking of the friend, ship and love that was yours alone? Death, without our loved ones, could you reign supreme on your throne.

#### MEMORIAL

Are you always dreaming, ever dreaming, why death the dear ones did not spare?

Forever and forever dreaming, heaven you are beautiful beyond compare.

## The Greatest Medical Authorities

in the World have made public statements in which they endorse the value of such ingredients as are contained in Father John's Medicine.

These great physicians say in substance, that these ingredients "are beneficial notably in wasting diseases and those maladies which are connected with or have their origin in debilitating and wasting diseases and in colds."

To detail here the statements of these various authorities would require too much space, but if you desire to see these statements in more complete form, write to Father John's Medicine, Lowell, Mass., and we will be glad to give the names of the authorities quoted, with brief excerpts from their public statements. Father John's Medicine is a pure and wholesome body builder, contains no alcohol or dangerous drugs.
