

GIFTS OF JEWELRY ARE GIFTS OF LOVE

"Jewels make permanent gifts" and such gifts are reminders of friendship, signs of respect and tokens of love. The one perfect gift of all ages, since the "age of bronze" until the present day has been jewelry.

The acme of the jeweler's art may be found in our choosing for your Christmas giving of beautifully set diamonds. From the chaste solitaire to the diamond cluster rings, every one, not considering its intrinsic value, well worthy of becoming a Yuletide gift.

Any selection from our styles of brooches or bar pins, some plain, others set with precious stones, would make very acceptable gifts to mother, sister or friend.

—and remember, whatever your gift in jewelry may be, it's the gift that's remembered, the gift that lasts for years—jewelry is an ideal Christmas gift.

The man who can go to his chiffonier and select the particular shirt he wants from an assortment of a dozen or more is a pretty lucky fellow. Most men do not possess such a stock, much as they would like to. They are always glad to add another to their collection.

Same way with the neckwear. Every man can use another pair. He never has too many.

Gifts of this kind are sure to please and we are prepared to show you many excellent shirts—all kinds—and a truly wonderful assortment of neckwear.

A very easy matter indeed to find here what you want, but it would be well not to delay too long and come as early as possible in the day.
