## MESSAGE OF GOOD CHEER FROM MATRON OF CHILDREN'S HOME

Tells How She Keeps Fifty Children Healthy---  
Depends on Father John's Medicine

"I have 40 or 50 children here at the children's home constantly. I give them Father John's Medicine at the least sign of a cold and by this means we keep them well. I depend on this old fashioned medicine whenever any of the children have an attack of croup or have a cold or throat irritation. When they are weak or run down I always give them Father John's Medicine to build them up. They all gain rapidly under the treatment the medicine affords.  
(Signed) Ellen O'Leary, Matron, Children's Home, Lowell, Mass.  
You are safe when you use Father John's Medicine because you know it is guaranteed free from alcohol or dangerous drugs in any form. Over 60 years in use.
