MEN

Best Overcoats Valves of the Season

Closing out what remains of our Men's Over-

Earlier in the season we sold them at a low price—for considerably less than we might have sold them—and now we have marked them still lower.

They are all good coats, well made, stylishly cut, built for long service. Hundreds of men have already found them entirely satisfactory. Furthermore they saved themselves several dollars when they bought their coats here.

Not a large quantity—but a very large saving to the men who get here first.

Closing-out prices are: **\$22.85**
