

**All House Furnishing Supplies May Be Most Economically Bought This Week**

While the Annual Sale is in progress—it closes Saturday night—you may find here hundreds of useful household articles at very substantially reduced prices. It is economy to buy now whatever is needed in the way of House Furnishings—Tinware, Woodenware, Nickelware, Galvanized ware, Aluminum ware, Wire Goods,

Enameled ware, Soaps and Cleaners, Baskets, Sewing Machines.

About deliveries—if your order is not delivered promptly do not worry about it as all deliveries are necessarily slow this week on account of the condition of streets and roads. Everything will be delivered to you at the earliest moment possible.

Those contemplating the purchase of a sewing machine should come in this week while we have a factory expert here to explain their workings. You will find it interesting and we are offering some splendid machines at reduced prices.
