

## Have You Seen the Eden and Harmony Electric Washers?

We are conducting a demonstration of these Electric Washing Machines at our offices, 34 Clinton Avenue North. We invite you to inspect these machines and will be glad to have you tell us what you think of them compared with other washing machines with which you are familiar.

Our own faith in these Electric Washers is such that we gladly send them out on trial. We will also send an operator to assist with the first washing if desired.

COME. WE WANT YOU TO KNOW THE EDEN AND HARMONY WASHERS.

### How to Prolong

#### The Life of Garments

The average person feels that high cost of clothing is as much, or even more, than the high cost of food.

But the dry-cleaner materially assists in reducing the cost of clothing. Proper dry-cleaning and dyeing lengthens the life of garments at least fifty per cent.

Orders for dyeing Spring Clothing should be sent now, so as to avoid the rush season and consequent delay.

Phone and our Auto will call.

Professor Paul McCarty, professor of music at the high school is in charge of the musical part of the programme, and has secured some excellent arrangements of the more popular songs. The staging of the performance is under the direction of Lawrence Webber. Tickets and reservations may now be had at the High school and the Cathedral rectory.

The masses on Sunday are as follows: 7:30, 9:15 and 10:30 o'clock.

The Holy Name Society received Holy Communion in a body last Sunday morning at the 7:30 o'clock mass. It was a most inspiring sight to see so many men receive communion.

Thursday evening a demonstration was held in the hall in cooking and illustrating the aluminum ware.

Prayers were offered for Rev. Father Brophy.

The Boys' Minstrels will be held on Tuesday evening, Feb. 17th, entitled "Sweet-tongued", and no doubt will be very good.
