The weather prophets tell us that a long drawn-out winter—and these greatly reduced prices on winter coats will be welcome news.

A matter of \$6 or \$7 saved on every coat.

At \$9.98 are coats of heavy cheviot, several charming ways, with plush collars, fancy buttons, the new narrow belts. Sizes up to 42. In the wanted dark winter shades.

At \$16.98 are all wool coats of all-weather cheviot and velour. A particularly good style is wide raglan sleeves, a narrow double belt in front and a loose flaring back. In this lot are a number of the much-liked sport models—short and flaring of nutria fur cloth and rich cut velvet. These are lined throughout and will appeal particularly to the younger women.
