Cost is Not the Only Consideration

In choosing a dry cleaning establishment, the real test should be the quality of work done, whether it be dry cleaning, dyeing or remodeling garments, and the promptness of delivery.

Our cost is as low as many other establishments where equipment and methods do not allow the better kind of work, nor sureness of prompt delivery.

but the Colonial style in dining-room furniture apparently goes on forever. You may buy a Colonial dining suite of standard design in either oak or mahogany with the assurance that it will be as good style fifteen years hence as it is today.

For many small dining rooms where one wishes to use mahogany furniture, the Sheraton and Adam styles cannot be improved upon to give a light and graceful effect without causing the room to appear overcrowded. We show Sheraton and Adam suites of this character in genuine mahogany as low as \$150.00 and \$175.00 for the complete suite.

Our showing of dining-room furniture embraces suites in Colonial, Mission, Sheraton, Adam, William and Mary, Queen Anne, Heppelwhite and Charles II design.

There Are Homes Wherein Wash-Day Has No Terrors. Why?

Why? Because such homes have electrically operated combination washing and wringing machines.

These machines banish the soul-trying, nerve-racking physical labor common to wash day in homes where the washing, rinsing and wringing are done by hand.

With an Eden Electric Washing and Wringing machine your laundress can do the washing in one-third of the time and the clothing will not only be washed better, but it will last longer. Between 2 and 3 cents' worth of electricity will do the washing for an average family.

Demonstrations given at the home and trial period allowed.
