If Women Only Knew

Women who seem to have more leisure, who do not spend most of their time cooking food and washing dishes, say that the only way they do it is because they have an "Ideal" Fireless Cook-stove. It is easy to provide the family with even better tasting meals.

"Ideal" Fireless cooked food is famous for its palatability. The most experienced cook can have perfect results with the "Ideal" Fireless Cook-stove because it has the famous water-seal heat-lock which makes cooking results absolutely certain, the automatic pressure valve, special formula insulation, automatic valves, seamless aluminum compartments, several times the usual thickness and durability. These features insure the vastly superior results.

When in Rochester be sure to investigate this Famous Fireless Cooker at our store.
