Every thinking man and woman believes in the healing power of nature. Getting back to nature is a modern tendency. Nature's offerings cannot be substituted or improved upon. Father Mollinger was careful to recommend his tea knowing the healing qualities of his medicine. As a laxative it was his favorite formula. When he prescribed it to be made hot at bed time, he knew that Uva Ursa and Junipers provided juices for the health of kidneys; MANDRAKE is nature's own liver cleanser and regulator. It does the work of calomel without its injurious effect. Yellow dock and sassafras purify and normalize the blood; Gentian root is the best stomach healer and regulator known in medicine. In all there are other important ingredients numbering 15, each designed to do a specific thing and all combining to make a master tonic, body blood builder, beneficial for all the organs and the entire system.

They carry off the body poisons giving quick relief to rheumatism, indigestion, constipation, and all the immediate corrections by use of this tea. These wonderful juices, without alcohol, drugs, or alloys or artificial stimulation, increase the appetite, produce sound sleep, and repair the nervous system. Furthermore there is nothing but pure vegetable matter in the preparation and NO HABIT FORMING INGREDIENT OF ANY KIND. THIS TEA IS MOTHER EARTH'S OFFERING TO THE SICK AND NATURAL OWN LEGACY FOR OLD OR YOUNG IN HEALTH OR SICKNESS.

That statement is made because if you are healthy you should take this tea to remain so. In Europe many of these ingredients are used regularly to prevent sickness. No person can develop from a healthy internal condition. A steaming cupful of Father Mollinger's Herb Tea taken at night will break up a cold and for many purposes it can be highly recommended. For old or young Father Mollinger's FAMOUS HERB TEA is essential for health and long life.
