

**World's Leading Medical Authorities Endorses Value of Such Ingredients as are Contained in Father John's Medicine**

**A Wholesome Food Medicine and Body Builder**  
Free from Alcohol and Dangerous Drugs—65 Years in Use—Guaranteed

The most eminent medical authorities, recognized all over the world as the highest in the science of medicine, have made public statements endorsing the value of such ingredients as we guarantee are the principal ingredients of Father John's Medicine.

High medical authorities say "that these ingredients are beneficial notably in wasting diseases which are curable and those maladies which are connected with or have their origin in colds and debilitating and wasting diseases."

To give these statements in full would take too much space, but we will furnish on application the list of ingredients of Father John's Medicine, the names of the medical authorities referred to, what they say, the publications and the dates of same.

Never wait for a cold to wear off—it wears away the lungs instead. Neglected colds often lead to pneumonia. Father John's Medicine gives prompt relief from colds and throat troubles.

Guaranteed free from alcohol and nerve destroying drugs upon which many medicines depend for their temporary effect, and which are dangerous, because they weaken the body and allow the disease to get a deeper hold.

A blind man could use it! Because it shows no brush marks. Just slop on
