The Ancient Alchemists Knew
 and recognized the value of pure herbs long before the discovery of chemical drugs and medicines. The ancient went into the fields and woods to gather the healing roots and bark of Nature. They well knew the use of the herb as a tonic laxative to clean out the bowels and generally build up the health. Father Mollinger's formula written more than 50 years ago from which his tablets are compounded has taken away the disagreeable side of the herb medicines, yet retaining all the important health giving qualities.
 Pleasant—safe to take—cause no gripping—remove all poisons that retard the action of the liver and stomach.

Father Mollinger's Famous Herb Tablets

Why endure any long ache, coated tongue, dizziness and general run down? Use these tablets daily to tone up the blood and system and melt the resulting rosy cheeks, bright eyes, no more headaches, pimples, and that disagreeable "with-it" feeling. Your body is a machine that must be cleaned and taken care of at all times if you wish to be healthy and happy, and the safest and most pleasant safeguard is to take Father Mollinger's Tablets.
 At all drug stores 50c and \$1.00. If your druggist cannot supply you send direct to

Kaysees Booked to Meet Balcos.

The Knights of Columbus five and Bausch & Lomb court outfit will get at it again Tuesday night on Genesee Rink court in the second game of a series in the city title elimination. The Balcos won the first game on the Balco court and Manager Hyland and his Kaysees are now devising ways and means to return the compliment on their own floor.

Against the Centrals, the Kaysees did not get started just right, but with the Balcos they feel differently. They figure that on their own stamping ground they will have a sharp surprise in store for the McCarthy-Ortner-Green combination. One victory, they point out, will put them on even terms, starting a fresh battle in the series.

Catholic Woman's Club Entertains Crippled Soldiers

The entertainment given by the Catholic Woman's Club Tuesday evening for 50 crippled soldiers now in vocational training at the Rochester Business Institute and Mechanics Institute was a happy affair—the first of a series of similar gatherings. Luncheon was served at 5 o'clock, and was followed by speaking, music and dancing. Miss Frances Fox, president of the women's club, was in charge of arrangements.
