### Four Volumes of Mosaic Books Are Presented to Seminary

Four large folio volumes, containing the works of Msgr. Wilpert on the Roman mosaics and paintings from the fourth to the thirteenth century, considered a valuable edition, have been presented to the library of St. Bernard's Seminary by Mr. and Mrs. J. A. Kreag, of Rutgers street, this city. This work was published in 1917 by a German publishing firm and only a limited edition was circulated. The work consists of two volumes of text and two volumes of illustrations.

Rev. P. P. Libert, librarian at St. Bernard's Seminary, explains that Wilpert has attempted to bring out in the four volumes of mosaics the importance of Roman art and its independence of Oriental art, against the common opinion. The artists of Ravenna have borrowed more from this source, Father Libert says, than from the Byzantine school of mosaics.

### Choral Society of K. of C. To Give Annual Concert

Entertainment of an educational and interesting character will be provided Tuesday evening at the second annual concert of the Knights of Columbus Choral Society to be given in Convention Hall. While music of the highest character will be presented the programme will be so varied that it should prove of universal interest. Miss Olive Kline, the brilliant American soprano, has been engaged to act as soloist.

PROF. EUGENE BONN

The chorus is composed of 85 male voices selected from the Catholic choirs of the city. It is under the direction of Professor Eugene Bonn, the veteran organist and choirmaster at the Cathedral. The type of music to be given is not new to the singers and under the skilled leadership of Mr. Bonn an interesting and pleasing presentation is assured.

In Miss Kline the chorus has a soprano of national repute. She has a remarkably clear voice with a wide range and wherever she has sang her efforts have brought forth unbounded praise and appreciation. Her acquaintances with the public has been through her work on the concert stage and the numerous phonograph records she has made.

Seats for the concert can be obtained now at Boucher's Flower Store at 90 East Avenue. Tickets can be purchased from any member of the chorus or at the Knights of Columbus clubrooms in Main street east. The proceeds of the concert will be turned over to the Knights of Columbus Building Fund and will be used in the erection of a new clubhouse.

**Boys' Blue Serge Suits**

**\$12.50 \$16.50**

For general dress up wear is probably that looks better on a boy than a blue serge. Confirmation, for first Communion or for Confirmation, they are always in good taste.

For boys from 8 to 18 we are about as well prepared with serge suits as it is possible to have them in several smart models in blue serge, all nicely finished and trimmed, and at a very low price.

One very fine quality of serge is made up in all-around belted model with inverted plait in front and back. This is \$16.50.

Another is a heavy weight serge. The coat has four pockets with pointed flaps, three place belt and yoke in back with triple box plait to waist. Price \$25.

We also have about fifty serge suits taken from our regular stock, that formerly sold for \$18.00, now marked at \$12.50.

**PRICE \$139.50**

The success of the electric vacuum washing machine which is well named "The EASY" is correctly attributed to the scientific principle upon which its construction is based—that of alternate air pressure and suction which duplicates in a wonderful way the sure and safe motions of the human hands.

There is no friction, wear or tear on the clothes; the "EASY" eliminates all the labor because there is no work in connecting the preparation of the machine before the washing, during the washing, or after the washing. No dirt can resist the 44-lb. air pressure and suction.
