RECEIVE FIRST COMMUNION

Dansville, N. Y., May 24.—Last Sunday was First Communion day at St. Mary's church in Dansville—the day of rarest graces cherished as the sweetest of childhood happy days.

Rev. Leo G. Hofschneider and twelve acolytes under the escort of St. Boniface society walked from the school and entered the church to the triumphal march of the organ notes. High mass was sung by the pastor who also delivered the sermon with a special address to the children following the renewal of the baptismal vows.

The Rev. Father's remarks, like the golden sunlight trembling over the land giving life and vitality, inspired the children with greater love for the Holy Eucharist. With rich care for the things of God within the little ones, and that their innocent hearts might unfold like buds to the Divine Sun of love of God, drawing up on them numberless graces, the Rev. Father Hofschneider soared sublimely into the chaste region of the holy of holies, revealing to them the grandeur and importance of the Sacrament of the Altar.

THERE is one big issue to settle in the world of business and labor, the issue of equal pay for equal work. Evidence of injustice are found everywhere.

There are several reasons for this state of affairs. The fact that women were not voters is one of them. That will now cease to be a deterrent.

It lies with women, finally, as to whether or not they shall receive equal pay. It should be demanded by every woman. Also, the training of women for earning a living must be improved, and the standards of her work bettered.
