ROOFING.
There is roofing material for every
kind of roof, on display at the B. F. Boscoe
Roofing Company 45 Ford Street, Roch-
ester, N. Y.
A visit to this place will surprise you
the man who contemplates building with
the automatic truth established
a home this summer. He will find that
there are a large number of different
kinds of roofing materials in differ-
ent weights, for use, on all kinds of
roofs.
There is nothing quite as damag-
ing to a home as a leaky roof, ex-
posed perhaps, a fire. Whether it is
the roof over the home proper or
over some other projecting part of
the home, such as the enclosed ver-
anda or sun room in the rear, water
will seep in and destroy the plaster,
wall paper or even the furnishings in
the rooms.
To repair this, entails about ten-
times the expense it would to repair
the leak in the roof.
In building a new home the B. F.
Boscoe Roofing Company should be
consulted first. It will repay home-
owners to have these people, who
have been in business for many
years, give you the benefit of their
long experience in the roofing game.

PAINTING SEASON.
It is surprising sometimes what
little paint will do on some house
or building. It adds many dollars in
value to the value of a place if it
appears attractive and neat. This is
the advisable time to do exterior
painting.
Otto Herman, 73 Stillson Street,
Rochester, N. Y., general painter and
decorator is in a position to do all
kinds of painting and recommends
that people do not wait too late for
the work that should be done now.

THOSE SMITH BOYS.
When ever you contemplate buy-
ing a used car, wend your way to 5
Pitkin street and see "Those Smith
Boys," dealers in better class used
cars.
"Those Smith Boys" need no in-
troduction to motorists in this vicin-
ity having been engaged in their
chosen line for several years. They
are well qualified for their line of
business and are conversant with
every feature of it.

**EFFICIENT SERVICE AT
W. E. OWENS.**
Service is the watchword of W. E.
Owens, plumber, located at 15 Gor-
don street, corner of Merchants Road.
Mr. Owens has been in business for
many years and has always given
more to the value of a place if it
is satisfied. The service is efficient
and prompt, it being his aim to have
men on hand at all times so that no
one will be held up in their work.
Mr. Owens carries a full line of
steam and hot water heating fix-
tures. The people of Rochester
should bear this in mind when they
have work, which they would like
done in a hurry.

SIGN PAINTING.
