PAINT AN ABSOLUTE NECESSITY
 The advertising done in the past years by the individual manufacturers, supported more recently by the "Save the Surface Campaign" has emphasized the importance of the frequent application of good paint and varnish. At one time these products were considered mainly from the standpoint of beautification, and while the protective value of good paint and varnish was deserved. While paint and varnish do improve the appearance of the surface over which they are applied, they are far more useful for protection than for ornament. Look where you will, on the inside of the home or the outside, on woodwork, furniture, walls, floors, etc., you will be impressed with the tremendous importance of good paint and varnish.

Home Made Candies
 There has been a reduction in the price of candies, now that sugar and other materials are going back to the "Save the Surface Campaign," but that does not mean that the quality of Ziegler's Home Made Candies have decreased in any way.
 W. H. Ziegler 940 Genesee street, Rochester, N. Y. conducts a candy kitchen, which is clean and sanitary in every respect and a complete line of candies are ready each day for sale both at, wholesale and retail prices.

General Contracting and Building.
 Pierre Decker, general contractor, builder, etc. of 50 Parkers Alley, Rochester, N. Y., can point out with just pride to a number of imposing buildings about the city, which they have erected since first going into business here.
 People who contemplate building should call upon Mr. Decker for an estimate, as he employs men experienced in all lines of the building work. Nothing too Small—Nothing too Large.

Auto Repairing
 At 484 Clinton Avenue South, Rochester, N. Y., will be found an up to date auto repair place, where you can take a car with confidence that your work will be well done and that you will not be overcharged. Auto repair men who know the business from A to Z and who have gained an enviable reputation as knowing what ails every motor they fix, will see that your machine is given proper and prompt attention.
 Mr. W. A. Williams the manager is a machinist of fifteen years experience, and if you want your car thoroughly cleaned and lubricated at a reasonable price, give them a trial and convince yourself.

Wm. C. Walch
 "Good paint costs nothing." This saying was originated a good many years ago, and by whom do you suppose? By none other than the Dutch. If there is any class of people on earth who hold tight to their money and hate to spend an unnecessary cent, it is the Dutch.
 This proverb of the Dutch in regard to paint is a wonderful example of the keenness of their sense of economy and puts the value of paint and varnish into one sentence, better than it has ever been stated elsewhere—at least, prior to the formulation of the slogan of the "Save the Surface Campaign," which reads, "Save the Surface and You Save All."
