 The concern has several large motor trucks and makes a specialty of city and long distance moving.
 In speaking of the business Mr. Scholls, the president of the concern said, "Goods accepted by us for shipment are packed securely by the best packers we can get. We employ none but reliable and responsible men and our rates are very reasonable."
 The business of the Company is by no means confined to its home city, but extends throughout the vicinity and with the excellent service the Company renders, the name of West Carting and Storage Company has become a household word.

SMALL PLACE IS GARAGE FOR THE AUTO OWNERS
 The small garage seems to have made a hit with the auto public, who are learning that the small garage where all work is done under the personal supervision of the proprietor, is the place where they get the best work done.
 There are numerous reasons for this, among which are, the larger the shop the less personal attention the head of the shop can give to individual jobs, also the small shop has no expensive force for which it has to tack on an extra revenue.
 Martin's Garage located at 70 Crouch Street, Rochester, N. Y., is in a position to do general repairing, vulcanizing, etc. Auto owners will profit by bearing this in mind when the car

Ideal Wet Wash Laundry Co. A Needed Institution
 There is no further need of a woman breaking her back over a washtub. The Ideal Wet Wash Laundry Co., is in the field to stop just that. Do you remember the hardships of the other days before the advent of wet wash? Women know how they dreaded Monday to come as it meant the hauling out of heavy tubs, then followed an all-day washing. But all of this is changed now under the Wet Wash system. A Woman bundles up soiled clothes and calls up The Ideal Wet Wash Laundry Company. "In quick time a wagon is at the door and the clothes are taken away. When they are brought back they are ready for use.

A fish that hangs in the net, like a poor man's right in the law, will hardly come out of it.—Shakespeare.
