The "New Endless Belt" Something very new in men's belts are being manufactured by the New Endless Belt Co. of this city and sold everywhere through Haberdashers, Dry Goods Stores and Jewelers. These belts are favored wherever introduced and the business is indeed promising. They pride in mentioning that our highest executive Pres. Warren G. Harding has one of their belts, the buckle engraved exclusively for his wear.

Truly this article is one which embraces all the features that a belt should possess to insure comfort, neatness and durability without any inconveniences. It is called Endless because there are no ends appearing, (the end adding to the inner side) therefore requiring no troublesome loops to insert the strap, is adjustable to any size and above all guaranteed to hold the trousers securely. Improper fitted or long belts with frayed ends never occur with this new article. It is said to be the quickest adjusted belt ever patented.

Let you are skeptical, you owe yourself a demonstration at your nearest dealer.

The Northrup Baggage service is prompt and satisfactory and every care is exercised in the carrying of baggage and household things.

If you are going up the lake this summer let the Northrup Baggage Transfer Company haul your household goods there, for experienced men will be in charge of the work.
