**"Use Signs" "It pays to Advertise"**  
 Mr. Merchant and Business Man, allow us to step before your vision as a real and fundamental part of every business, namely "Purveyors of Publicity."  
 Our modern shop is located right in the downtown business section, next to the large department Store of Duffy Power Co. at 80 Main St. West. We are just as near to you as your Home Phone and would gladly submit to you personally Ideas, Suggestions and Designs showing you the best method of placing your name and business before the public.  
 Elmer W. Loavenbruck has been in business as a "Sign Contractor" in Rochester for the past fifteen years and carries an efficient staff of artists to care for your every need at a greater saving to you. Keep your name before the public, Mr. Merchant and you will find a much greater increase in the profit of your sign craft.  
 A glance along the streets at the better class of signs will show the imprint of E. Loavenbruck and our recent contribution to the beautifying of the "four corners" namely Nachman's Jewelry Store will show the quality of our sign craft.  
 Whether it be a "De-Luxe" Bulletin along the highways or a name on your office door, a decorative window or an attractive card to sell your goods that you require we are prepared to give you real service at a saving to you and mutual benefit to us both.  
 We make signs of every description, and would gladly serve you, a phone call will bring us, for our watchword is service in signs.

**Remember the Departed**  
 The best remembrance to the departed members of the family is a monument or headstone placed over the grave.  
 In Rochester there is a firm, who have erected some large and beautiful memorials in Rochester and vicinity and their residences made beautiful by their monuments and headstones at their showrooms, located at 478 State Street. People are invited to call and inspect this stock before buying.

**Piano Repairing**  
 When one wants a piano tuned or repaired, they want it done by a man who knows his business. Such a man is Joseph Meyer, 385 Jefferson Avenue, who is a pioneer in this business and has likely tuned and repaired more pianos than any one other man in Rochester. A satisfied customer is the best possible recommendation. If your piano needs repairing, give Mr Meyer a trial and let him demonstrate to you that he "delivers the goods."  
**The Handy All-Around Store**  
 It is a pleasure to write about a good thing, which is the reason we are handing this bit of praise to the I. S. Hunt Company.  
 Mr. Hunt conducts an unusually large store for one of this kind, at number 390 Thurston Road. This store being one of the few where you can find goods of all kinds, hardware, auto supplies, paints and oils in fact about everything any one might want.

**Expert Service at Jack's Garage**  
 Quick and expert service is found at Jack's Garage, 316 Andrews St., one of the best of its kind in this city and well known among the automobilists, who have been aided by their expert service. The overhauling and repair department here is noted for the workmanship turned out and efficient men are in charge at all hours.  
 Jack's Garage specialize in parts for the R & V and Moine Knight cars.

**Interior Decorating for the Homes**  
 Paperhanging is an art, so is Interior Decorating. Experience and artistic taste and material to work with are the mediums through which the best efforts in the beautification of the home are obtained.  
 John McGovern, 89 Karnes street Rochester, N. Y., has received much praise from the owners, who have had their residences made beautiful by his excellent workmanship.  
 Mr. McGovern has demonstrated his ability to produce at lowest cost those effects which make homes the most attractive.
