"We Are Growing"  
 Fifteen Routes and "We are Still Growing"  
 Six years ago this business was started in a little Bakery on Reynolds St. bread being delivered with a basket. In a short time we outgrew that place. Then we moved to Jay and Colvin Sts. to a larger shop. In six months' time we were compelled to seek larger quarters. We then leased a bakery at 200 Orange street. In three years' time we were too big for that place. Then we acquired a Bakery, new and modern at No. 855 Clifford Avenue, corner Dudley Street.  
 In the past three years our business has grown to such a proportion that we were again compelled to seek larger quarters, and in the past six months we have acquired a building at 1059-1062, 1054 Clifford Ave. corner North Street, with a floor space of 160,000 square feet. We expect that this building will hold us for some time, but who knows, for we are "still growing." We thank you most generously for your support and rest assured that it is our endeavor to continue to serve you with the "best of everything in our line." Main Baking Co.

South End Food Shoppe and Bakery Now Open  
 How often have you heard it said, with I could find a good place to get home made bread, cakes, pies and cookies. If you ever hear any one say that again, tell them that the South End Food Shoppe and Bakery at 196 Clinton Avenue South is the place to go and that you feel confident that they will be pleased with their products.  
 This store is owned and operated by Gilligan and Dolan, who extend to every one an invitation to pay them a visit. You should patronize this store for several reasons. The main one being that the products are freshly made each day.
