Interesting Facts for Auto Owners
It is a pleasure to write about a good thing, which is the reason we wish to tell the Auto Public about Charles C. Rehtz, 335 Andrews Street.
Mr. Rehtz has had some thirty-six years experience in carriage and automobile trimming lines and is now specializing on some of the newer conveniences for the automobiles, for instance One Man Auto Tops, Gypsy Black Curtains and installing glass lights in the rear and side curtains of cars. Also does upholstery on all makes of cars and can furnish Ford commercial truck bodies of all kinds upon short notice. These are only a few of the things Mr. Rehtz is able to do for the auto owners and the best way to find out about these things is to give him a trial and a chance to show you the goods.

Clothes Cleaned or Made Like New Thru the Medium of Dyeing.
The economy of having your clothes cleaned and pressed periodically has been so thoroughly expounded as to be beyond the pale of argument. The economy of having your old clothes made nearly new by the dyeing method, has also proven satisfactory to a very large per cent of the people of Rochester.
In this connection one naturally thinks of the South Avenue Clothes Shoppe, 530 South Avenue, one of the best equipped places of its kind for cleaning and dyeing. In addition to this work the South Avenue Clothes Shoppe carry an up to date line of men's furnishings.

Your Heating System Installed Right
When one wants a heating system installed he seeks the best man to do it. He can obtain them by going to Bert L. Paulus, 432 Lyell Avenue, Rochester, N. Y., one of the city's progressive men, who has made a reputation for fair and square dealing.
For nine years this firm has been doing business in Rochester. Competent workmen are the only kind that are found in the shop and anyone who is thinking of having a new heating system installed, should see Mr. Paulus and have it done right.

Have the Old Mattress Made Equal to New
Some one has estimated that the average person spends twenty years of his life in bed.
It therefore behooves us to make those years profitable by way of returning to the bed that makes you comfortable. You can't enjoy the bed that makes you uncomfortable because of its thin, dissipated mattress and why throw away Black Curtains and installing glass lights in the rear and side curtains of cars. Also does upholstery on all makes of cars and can furnish Ford commercial truck bodies of all kinds upon short notice. These are only a few of the things Mr. Rehtz is able to do for the auto owners and the best way to find out about these things is to give him a trial and a chance to show you the goods.

Cash, Carry and Save Your Dollars
Quality and service combined with prices that meet with popular approval, get results. This has been the policy of Listman's Cash and Carry Market, 341 Dewey Avenue.
Only the best kinds of meat are handled in this market in the most sanitary way and because of the system Cash Carry, you are able to get the very best meats at prices, which make the Carry market a profitable thing for each customer.

Cleaning, Dyeing Tailoring etc.
Bayer and Newman, 369 Driving Park Avenue, Rochester, N. Y., have gained an enviable reputation for themselves in Tailoring, Pressing and Dry Cleaning, because of the great care given to the work and the service which it features. Only experienced workers are employed and perhaps because of this, the bulk of the work done by the Company is on the better grade of clothes and garments. Cassocks and Cloaks for the Clergy are given special attention. Although this Company is out on the North side its patrons are from all sections of the city.
