**The "Good Maxwell"**

The slogan "the Good Maxwell" is being used everywhere throughout the United States and we are glad that writing to advise the public that the "Good Maxwell" is fast becoming the most popular of all medium priced cars.

The new Good Maxwell has many mechanical changes as compared with the pre-war Maxwell and yet the price is only \$30.00 above the list price of 1918. This makes a fall in price of the high price of Sept. 1920, to the present time of \$310.00 on open models.

One of the chief changes is the rear end construction which has been greatly improved by adding spiral bevelled ring gear and drive pinion also heavier spaces washers and bearings, this tends to make the new Good Maxwell "rear end trouble" proof.

The new type piston has done much to add power and pep, two of the most essential features of an automobile. Its hill climbing power puts the little car in a class of its own. If you doubt it just call and let us demonstrate.

A good practical demonstration is our best selling factor. Open all the time. Chal-Max Motor Corp., 160 East Ave. Stone 4650.

**Here Many Years**

The Ideal Wet Wash Laundry Co. Phone Main 7821, this city, have been established for 12 years and is the only laundry in Rochester doing wet wash work exclusively.

Service is the cause of the success of this laundry and Business is built on the fact that they call for the washing, wash it, blue it, wring it out and deliver, all within 24 hours.

Each wash is handled entirely separate from any other and does not come in contact with others at any time.

Aside from eliminating chance of loss, or inconvenience through mixing, this feature is most desirable from a sanitary standpoint.

The courteousness of our delivery men is another agreeable feature, as they are always ready to satisfactorily adjust any just complaint.

No chemicals are used and all washings are done by use of soft water and soap, only.
