Carbon Removed While You Wait

A news item of interest to Journal readers is that Otto Petznick, proprietor of the Petznick Motor Company, 797 Monroe Ave., announces a price reduction on Syra-Cord tires and tubes. These tires are made in our neighborhood of Syracuse and have made an enviable reputation for themselves by giving thorough satisfaction and service. The 30x3 1/2 size tire which has been selling for \$29.55 is now reduced to \$20.00 and carries a 10,000 mile guarantee.
 At the present time the Petznick Motor Co. is making a specialty of burning out carbon while you wait. For this work the company has engaged an expert and satisfaction is guaranteed.
 In addition to the above a full line of auto accessories is carried, general auto repairing is done by efficient workmen, and the Petznick Motor Company is an authorized Ford Service Station, making a specialty of Ford repair work.

Houses are Scarce

Many people are looking for houses to rent or to buy and it is almost impossible to find either. If you are in the market for a house Edward Hennessey of Bastin Road, Brighton, N. Y., has two now ready for inspection on Marlborough road, off Thurston road, and he will be pleased to show them to you. He is a builder of fine homes and if you have a lot he can build a house to suit you either city or suburban.
A Real Money Saver
 Many discover at this time of year their porch chairs are in a bad condition from the long summer season. Prices are too high to indulge in new ones so late in the season and yet one will wish for the porches for some time yet. A most economical plan is to have them reupholstered with splint. John Stocum at 532 Main St. W., is always prepared to do this work in a most satisfactory manner. He also canes chairs if one prefers this, and makes a specialty of very fine hand-made baskets. All orders will be carefully and promptly attended to.

The Renewed Hardware Store

The hardware store on Monroe Ave., bridge hill No. 812, which was originally operated by David Harris, is now, after several changes in ownership, operated by Wilson & Woodard who have made many additions to the stock carried and are in position to render efficient service to the community in hardware and sundry lines.
 Messrs Wilson & Woodard are both men of wide experience in sheet metal work, which includes roofing, eaves-trough, conductor and furnaces, also metal ceilings which is the best way to overcome troublesome or unsightly ceilings since it eliminates removing the old plaster.
 From the fact that either of the proprietors are always on the job, whether large or small, they are sure of having satisfied customers.
 The Summit Furnace, of which they are the sole agency in Rochester, has given satisfaction for many years and they are always pleased to explain its many advantages.

There is every kind of a fanatic, not excluding a fanatic for work.
 There are such things as tears of joy, but few people ever see them.
