

## PROMISED A COTTAGE--- PRESENTED WITH A MANSION!

All of which resembles what daily happens to purchasers of Curtis Tires. Old John J. Motorist rumbles around in his gas buggy. "Give me a Curtis Tire," sez he. "I hear they go as far and git along as well on rotten roads as an Iowa farmer does."

"Right," sez we, gettin' out his size Curtis Cord. "We promise you 8,000 happy miles, most of 'em roll twice it."

"I guess that ain't any salesman's hot air," sez he. "Nick Lyman drives 'em. He swears they'll run at least fourteen thousand. Fact is Nick's more in love with them Curtis Tires of his than he is with some near members of his family."

"Give us your old tire," sez we. "We take 'em in trade during our direct advertisin' campaign. You gotta a Ford?—we'll allow you \$9.25 for that old tire, makin' your brand NEW CURTIS CORD OVERSIZE TIRE ONLY \$17.25."

"Wal," sez he, "the old tire ain't a fit present for a junk man."

"Makes no difference to us. Bring it in. We advertise we'll take 'em in trade—we're doin' it. If you were buyin' a bigger tire we could allow you as high as \$32.85 for the old fella."

"Great," sez he, chuggin' away. "I'll tell the folks up my way about your people."

Every tire which we are selling under this offer is an A-1 FIRST Tire, fresh from our Factory in Ridgeway Avenue, carrying the regular guarantee of 6,000 MILES ON FABRICS and 8,000 MILES ON CORDS, backed by the Factory itself, and carrying all the extensive service privileges which our Service Station offers to CURTIS TIRE owners.

CURTIS TIRES are Rochester-made—Money spent in the purchasing of Curtis Tires goes into the pockets of Rochester workmen and into Rochester investments.

The glory of our life below—  
Comes not from what we do or what we know,  
But dwells forevermore in what we are.

### GOOD THINGS FOR THE FAMILY.

FOR those who enjoy hot cakes and gema for breakfast, the following recipe will be one to try:

**Popovers.**  
Mix and sift one cupful of flour, one-fourth teaspoonful of salt, seven-eighths of a cupful of milk, one-half teaspoonful of butter, and two eggs. Beat the batter with a Dover egg beater until light. Pour into deep hissing-hot iron gem pans well greased and bake in a hot oven for thirty minutes. If baked in buttered earthen cups the popovers will have a glazed appearance.

**Apple Fritters.**  
Sift one cupful of flour with one teaspoonful of powdered sugar and one-fourth teaspoonful of salt. Add two-thirds of a cupful of water, beating constantly. Add one-half tablespoonful of olive oil and the white of one egg beaten stiff. Core and pare tart apples, sprinkle with lemon juice, dredge with sugar and let stand half an hour. Dip in fritter batter and fry in deep fat. Serve with lemon sauce.

**Truffles.**  
Break one egg into a bowl, add one-fourth of a teaspoonful of salt, and one and one-half tablespoonfuls of powdered sugar. Add flour, stirring until the mixture will take no more. Turn on to a floured board, divide into three parts and roll as thin as possible. Cut into narrow strips or squares and fry in deep hot fat. Sprinkle with powdered sugar mixed with cinnamon.

**Fritter Batter.**  
Mix and sift together one cupful of flour and one-fourth of a teaspoonful of salt. Add two-thirds of a cupful of milk gradually, and two eggs beaten thick, one tablespoonful of olive oil and the whites of the eggs folded in after being beaten stiff. Bananas cut in quarters, sprinkled with lemon and sugar, let stand half an hour, then dipped in the batter and cooked as the apple fritters, are delicious. In fact any fruit may be used for fritters.

**Grape Nuggets.**  
Take wild grapes green and crisp, halve and seed them. Add three-fourths the weight of sugar and boil thirty-five minutes. The product will jelly but the halves of the grapes will be abundant. Seal with paraffin.

## Weekly Calendar Of Feast Days

(By N. C. W. C. News Service)

Sun. Sept. 4.—St. Rosalia, virgin, was the daughter of a noble family, who, despising the things of this world, sought an abode on Mount Pelegrino, three miles from Palermo and gave herself up to prayer and penance. She died in 1160. The body was translated to Palermo in 1625 and to her patronage the inhabitants ascribe their delivery from a great pestilence.

Mon. Sept. 5.—St. Laurence Justinian, who was granted a vision of the Eternal Wisdom at the age of nineteen and who fled the honors of the world to become a member of the Canons Regular of St. George. He was finally made abbot and became the first patriarch of Venice. He induced many to a holy life and died a happy death in 1435.

Tues. Sept. 6.—St. Eleutherius, abbot of St. Mark's, near Spoleto, who was favored with the gift of miracles. On one occasion he raised the dead to life. He died in Rome in 585.

Wed. Sept. 7.—St. Cloud, the first and most illustrious saint among the princes of the royal family of the first race of France. He retired from the world and sought a refuge to which he drew other pious souls, who regarded him as a superior. He died in 560.

Thurs. Sept. 8.—The Nativity of the Blessed Virgin Mary, who was brought forth preserved free from the guilt of original sin and pure and beautiful in the sight of God.

Fri. Sept. 9.—St. Peter Claver, a Spanish Jesuit, was consecrated by vow to the salvation of the slaves of the West Indies. He fed them, nursed them in loathsome diseases and baptized 40,000 of them before his death in 1654. Though his cloak was the constant covering of the naked and those filled with sores and ulcers, it sent forth a miraculous perfume.

Sat. Sept. 10.—St. Nicholas of Tolentino, who is said never to have lost his baptismal innocence and whose austerities were conspicuous even among the Hermits of St. Augustine, to which order he belonged. For a long time he took practically no food other than the Blessed Sacrament. He died in 1310.

**The Rochester Business Institute**

Has been training young men and young women for responsible business positions through a period of fifty-eight years and has grown and developed from a handful of students, in a single room, to nearly two thousand pupils yearly. Our large numbers constitute a very great advantage which is now fully recognized in the educational world. Large classes develop interest and enthusiasm and thus secure rapid advancement. A recent survey in the state of New York demonstrated the necessity for larger numbers in individual public schools. The Fall Term will open Tuesday, September 6. You may enroll at any time before that date, or on that day. Rochester Business Institute, 172 Clinton Avenue South.—Adv.

The design features of each of the three makes of gas ranges that we carry are substantially different.

There is no good reason that we know of why one's personal taste in a matter of design should not be catered to in selling gas ranges same as it is catered to in the selling of household furniture generally.
