Rochester Millwork Co.
 The industrial, commercial and building interests of this city are indeed fortunate in having located here the Rochester Millwork Co.
 This firm stands pre-eminent in its line and has made good progress since entering the field. The company does a general mill work business in doors, sash, veneered doors, interior finish, stair work, porch work etc., maintaining a warehouse at 45 Warehouse St., Rochester, under the management of Daniel F. Jack. All the members of the organization have spent all their lives in the business, and Mr. Jack is a man who understands in detail the various features and problems that are constantly coming before a concern of this kind and gives every job his personal attention.

The Rochester Millwork Co. have associated warehouses in Cleveland, Ohio, and Buffalo, New York, with a large, well equipped factory at Albuquerque, New Mexico, where they manufacture doors, windows, mouldings, etc., in soft southern California white pine. In the Rochester warehouse we find a large supply of chestnut, pine and red gum or hazel interior finish all worked to special details and all ready to use in the building. They also carry a large supply of pine doors, fir doors, red gum doors, and chestnut doors for exterior and interior work. They have a large supply of windows and are well equipped to take care of any odd sash or windows that are required in the general run of house building. Besides the materials specified above that they carry in stock, they are well supplied with everything else that is required in the house building business. The Rochester Millwork Co. believe in preparedness. It may well be said that this company is just one jump ahead of the procession by being fortified with stocks made up from dependable lumber of uniform high quality. This is truly modern merchandising. These people are well in a position to render a quick service to both the contractor and the builder.

Every job this firm has handled has made them friends owing to the clean-cut, capable, and reliable methods employed.

It is a policy of the Rochester Millwork Company to make every job right. Courtesy and standardized service largely contribute to the success achieved by this company in Rochester and vicinity.
 Mr. Jack may be reached by phone Main 7491, and will be found at all times in personal contact with the work and supervision of jobs in hand.

Good Work Pays.
 Years of experience has enabled Faust & Carey, of 3 Shaw Place, to get the best possible results in Painting and Decorating. The work they have done in the past is the most assured guarantee of their efficiency. They will please at any time to estimate on any kind of Decorating or Painting, either inside or out.

Will It Last!
 There is no question regarding the Tire Vulcanized by Howard C. Marcellus, at 674 South Avenue. The way he stands behind his work has made him scores of friends in Rochester. His very complete accessory stock has brought Autoists from a large territory to his store, where they are assured of the right personal service.

Getting Ready For Winter!
 There has been considerable discussion regarding the best way for the family to enjoy the long Winter Evenings. Mr. J. C. Fess claims to have solved the problem with the Melo-D-Universal Talking Machine. The advantages and pleasures of this instrument can be better appreciated by hearing it at 484 Main Street West. The guarantee of Mr. Fess means considerable in buying these machines.

Spongy loaves make quite a stir in public.
 Why isn't a man without front teeth a bel-hitter?

May we have the pleasure of showing you a the best electric washer ever built?
