Ideal-Arcola Heating outfits
 Imagine a hot water system installed complete in a 4-room house for \$202.00. The standard way of heating greenhouses is by Hot Water. Delicate vegetation thrives on it. Hot water is therefore the best for human beings for its soft radiant heat protects and promotes health. Discard the old-fashioned heating methods with the dry, dehydrated, super-heated air. An investment in a Ideal Arcola Heating outfit for your home will pay back to you hundreds of dollars in fuel-saving besides giving you a lifetime of satisfaction, comfort and better health for the family.
 Hot Water the Best Heat. June temperatures in January. Easy to run with or without cellar. Simple to install. Safe for children. Uses but little coal, hard or soft. Made in all sizes to suit requirements. No running water needed.
 Drop a postal or call Stone 7556 and our man will gladly estimate your house free of charge.
 Charles J. Henchen, 434 Ames St. Plumbing and Hot Water Heating.

Your Home Attractive
 Not a small part in the attractive and well equipped home is part of the Lighting Fixtures. How much more pleasing to see fixtures that fit the room in which they are used both as to style of fixture and the right placing of it.
 A. L. Brakman of 400 South Avenue, has had years of experience in this very important work, and is in a position to advise and give estimates on complete work, including wiring or for fixtures alone.
 Mr. Brakman has on display a most attractive line suitable for all purposes. He also does a wholesale business as well as catering to the retail trade.

Reduce Your Meat Bills
 The house wife will find it greatly to her advantage, both as to quality of meats and the saving in prices to patronize the Listman Meat Market at 324 Dewey Ave.
 Quality—because they deal in the best of meats, fresh poultry and fish. Saving because they conduct it as a cash and carry market and therefore eliminate much expense in carrying accounts and making deliveries and can therefore afford to sell at prices much more reasonable than others who must meet those expenses.
 The Listman market has built up an enviable reputation for reliability and gratifying service. Service and satisfaction at Listman's. That's what the oldest patrons will tell you.

Welding—A Specialty
 Mr. Perry, the proprietor of the Detroit Welding Works, 414 Brown Street says that it is a mistake to throw away anything that can be welded. Broken stove parts, furnace and various parts of automobile, including the frame, may be repaired in a highly satisfactory manner.
 Every one may arrive at true nobility by the ways of virtue and goodness.—William Penn.
