## Rochester Auto Top Co.

Manufacturers and Mends Auto Tops, Curtains, Etc.  
 The Old reliable "Top people" are still manufacturing automobile tops, curtains, etc., as well as mending damaged ones.  
 The Rochester Auto Top Co. located at 50 Troup street, Rochester, N. Y., are old timers at the top and curtain game and the staff of assistants are also trained men. At this establishment one is assured of an expert job in repairing or any other of the innumerable jobs that are continually coming up in regard to the cloth and leather work on the automobile.  
 At this time of the year much comfort may be found in a car with the right sort of top. Let the Rochester Auto Top Company advise you in regard to this and show you how much comfort may be obtained with not too great an expense.

## Coal When Needed

G. H. Filkins, 806 Monroe Avenue, is in a position to fill any and all orders at a time to suit his customers and can assure them of prompt and efficient service.  
 Mr. Filkins has been in the coal business for thirty years and handles the Lehigh Valley Coal which needs no introduction to the readers. We cannot say that the Lehigh Valley Coal handled by Mr. Filkins is any better than coal of the same name handled by some other firm, but we can say Mr. Filkins has a wonderful system for delivery, using both horses and auto trucks, which places him in position to take care of all orders promptly, and efficiently.

**South End Food Shoppe And Bakery Is Progressing**  
 Though this pleasing place has not been open for a great length of time yet, it is fast becoming known to the public as a "Real Place" to get the best of home made bread, cakes, pies and cookies. These are made fresh each day and one may always feel sure of the quality of anything from the South End Food Shoppe.  
 The business is owned and operated by Gilligan and Dolan, who are most anxious to please their patrons in every way. A most courteous invitation is extended to all to pay them a visit and thus assure themselves of the quality of their products.  
 With poison gas and submarines the "glory" of war begins to totter. Maybe it was time.

It's an easy matter to sympathize with the poor when your pocket is empty.  
 Any woman can fool a man, but it's sometimes difficult to keep him fooled.  
 Despise not a small wound, a poor kinsman or a humble enemy.—Danish proverb.  
 No law can do much to protect the foolish; no nor protect the wise from the foolish.  
 It doesn't greatly mitigate gray hair to proclaim that it first began in one's twenties.  
 Men do not leave home in order to make sure that absence makes the heart grow fonder.  
 In this hour of adversity be not without hope, for crystal rain falls from black clouds.
