**T. H. Marrion & Company**  
**New Location But Same Business**  
Seven years ago Mr. A. J. Gardner started a small upholstery business at 287 Webster Ave. Due to the integrity of Mr. Gardner and the reputation he has made for his fine grade of workmanship, his business has increased to such an extent that he has just recently opened a new store at 424 Main St. E. The location at 287 Webster Ave. will be retained as a work shop. At the new store Mr. Gardner will be pleased to attend to all orders for upholstery to meet any requirements. Special styles will be gotten out to suit the buyer, and plans and estimates most willingly submitted. Mr. Gardner will also carry a most up-to-date general line of furniture and the prices will be consistent with the grade of goods handled. All work will still be under the supervision of Mr. Gardner. One may therefore be assured of the same good workmanship as heretofore.

The name Marrion takes high rank in this community owing to the unusually fine workmanship in the turning out of monuments of distinction and fine designs. The business was taken over in 1914 by John A. Casey under the management of T. F. Eagen. One of the finest stocks of Italian marbles in this section is carried by this concern. The Quincy, Westerly and Barre granites are used by the T. H. Marrion & Company and are the best the market affords. The name Marrion has been retained in the conducting of the firm's affairs owing to the unusual good will and value of this name to the business. The work and service of T. H. Marrion & Company include both the making of designs and the execution thereof as well as the proper erection and placement of monuments, headstones and cemetery memorials. The company is serving some of the oldest families in this vicinity.

**This Fall A Victrola**  
In all the world there is no musical instrument that can give so much real pleasure, to so many people, for so little money, as the genuine Victor Victrola, which can be purchased from Cyrus G. Da Boll, 1284 Dewey Ave.  
Any one of the Victrolas, small or large, will transform, at a moment's notice, the home into a private ballroom, and best of all, it will help you to live and to forget the cares of life.  
You take no risk with a Victrola, it will give you the same Curcio, Galli-Curci, Heifetz, the selfsame orchestras and bands that you hear on the concert and operatic stages. Let us help you choose an outfit.  
Many a man who imagines that he is a wrestler can't even throw dice.  
Many a little girl who was fond of dolls has grown up fond of dollars.  
Sometimes it is hard luck to begin a career with superior advantages.

Marriage is a lottery in which the alleged prize winners draw attorney.  
Nearly every man is his own hero and every woman is her own heroine.  
As a rule, the man who could most easily obtain credit does not ask for it.  
There may be as good sea-serpents in a drug store as ever came out of a saloon.  
Since we cannot get what we like, an excellent plan is to like what we can get.  
If a man is a success he knows it; if he is a failure all his neighbors know it.

May we have the pleasure of showing you the best electric washer ever built?
