The Perfect
Double-Vision Lens

is that which has the distant and near vision ground on one piece of glass. It is the lens which gives the wearer a youthful look, because of its seeming to have but one vision.

These lenses and our expert service have improved the eyesight of many.

Sibley, Lindsay & Curr Co. Noteworthy Special Offerings in Underthings

Once having learned the satisfaction of wearing superior jersey silk underthings you will welcome the opportunity which makes them available at such interesting prices.

Silk knickers and silk vests at half-price.
Both vests and bloomers are of especially heavy jersey silk in flesh color, the vests have excellent satin shoulder straps and are generous length—and the bloomers besides being full cut are satisfactorily reinforced.

These garments are what we term as "irregulars," which means that the tailoring and finish is of the best, smooth seams and trim edges, and the material is of the better quality silk jersey, but perhaps there is an almost invisible flaw in the weave or a tiny drop stitch, all of which have been well-healed.

They are well worth purchasing and would be desirable at even a higher price than the special one of \$2.79 for the bloomers, and \$1.95 for the vest in sizes 36 to 42.
