Buy What You Need Now

It's the "Loosening up" not the "Holding on" which makes our country prosperous.

That buying must begin all along the line if we are to maintain any sort of business stability, is general opinion. That the whole question of stabilization, of readjustment of prosperity itself hangs upon the slender thread of buying is becoming more apparent every day. The wheel of successful business is a continuous circle of buying and selling. The consumer buys from the retailer, the retailer from the manufacturer, the manufacturer from the mills the mills from the grower and the mines and farms, the mill and the manufacturer employ the people who are your customers. This wheel is a great producer of prosperity if you keep it going. This wheel will cause the great and the small to suffer if it stops.

People are demanding values and our merchants are giving values and are getting values from the sincere and fair-playing manufacturer. Co-operate by buying conservatively, cautiously, but buy now, to keep industry going. There is no reason for waiting.

Worth While to Visit Lalonde's Auto Supply Store

There is an indication that we are going back to normal times when we check up some of the prices on auto accessories, quoted by Lalonde's Auto Supply Store, 185 State Street, corner of Allen. People apparently are beginning to remember that this concern is still in business—Three years.

Snow is coming. Why not take advantage of the wonderful values that are being given at Lalonde's before the coming of the early snow storms and accompanying sleet and insure yourself against a frozen radiator. Lalonde's are making special prices on Radiator and Hood covers and Auto Robes, also a fine line of heaters, which, of course, are quite a necessity with the approaching cold weather. In connection with the covers and heaters they are also showing excellent values in cushions, visors, spotlights, piston rings, horns, tire covers, mirrors, flash lights, auto pumps, and last but not least, Weed Chains,—which, as you know, are a necessity at this time of year.

Both Broke.

"Let me take ten dollars, will you?"
"Can't do it. I'm just back from my vacation, too."
