The "New Endless Belt"
 Something very new in men's belts are being manufactured by the New Endless Belt Co. of this city and sold everywhere through Haberdashers, Dry Goods Stores and Jewelers. These belts are favored wherever introduced and the business is indeed promising. They pride in mentioning that our highest executive, President Warren G. Harding, has one their belts, the buckle engraved exclusively for his wear. Truly this article is one which embraces all the features that a belt should possess to insure comfort, neatness and durability without any inconveniences. It is called "Endless" because there are no ends appearing (The end sliding to the inner side) therefore requiring no troublesome loops to insert the strap, is adjustable to any size, and, above all is guaranteed to hold the trousers securely. Improperly fitted or long belts with frayed ends never occur with this new article. It is said "to be the quickest adjusted belt ever patented. Let you are skeptical, you owe yourself a demonstration at your nearest dealer.

Efficient Service, At W. E. Owens'
 Service is the watchword of W. E. Owens, plumber, located at 15 Gordon St., cor. of Merchants Road. Mr. Owens has been in business for many years and has always given satisfaction. The service is efficient and prompt, it being his aim to have men on hand at all times so that no one will be held up in their work. Mr. Owens carries a full line of steam and hot water heating fixtures. The people of Rochester should bear this in mind when they have work which they would like done in a hurry.

Easy To Own Home
 Every ambitious married man looks forward to that day when he, his wife and children are comfortably sheltered in their own home. It also is the fond wish of every mother. Maybe you've been under the impression that you can not afford it. Probably you had reason to feel that way during the last three or four years, but it's a different story today. Costs of materials and labor have been reduced considerably since last fall. Edward Hennessey, Brighton, N. Y., can explain how easy and satisfactory he can build a home to please you. If you want a home, call on Mr. Hennessey for an estimate.

Bad Prospects.
 Bridegroom: "You are my all in life." Bride: "Yes, I don't own anything outside of you, either."
No Time for Publicity.
 "Can't I get up a story about your diamonds?" "Not now, Ferdie," said the actress. "They're in luck."
One Theory.
 "When do children get so many faults?" "I guess we must pass our own noses."

Has One Good Point.
 Scold: "Do you find any merit in my poem?" Editor: "Well, it isn't very long." Editor: "That's right."
May we have the pleasure of showing you the best electric washer ever built? Call upon us.
