Announcement
Parkway Garage, at Seneca Parkway and Lake Avenue, under the efficient management of Mr. H. O. Snyder, is one of the most modern and up-to-date garages in the city.
One of their most recent improvements is to install a battery charging outfit which fits them to handle all repairs and recharging of all types of storage batteries. This includes electric vehicles and pleasure cars as well as starting and lighting batteries.

T. H. Marrion & Company
One of the old and well established concerns of Rochester is T. H. Marrion & Co. located at 478 State St. It was established in 1895 by Thomas H. Marrion, and engages in the manufacturing of and dealing in monuments, headstones and cemetery memorials.
The name Marrion takes high rank in this community owing to the unusually fine workmanship in the turning out of monuments of distinction and fine designs. The business was taken over in 1914 by John A. Casey under the management of T. F. Eagan. One of the finest stocks of Italian marbles in this section is carried by this concern. The Quincy, Westerly and Barre granites are used by the T. H. Marrion & Co. and are the best the market affords. The name "Marrion" has been retained in the conducting of the firm's affairs owing to the unusual good will and value of this name to the business. The work and service of T. H. Marrion & Co. include both the making of designs and the execution thereof as well as the proper erection and placement of monuments, headstones and cemetery memorials. The company is serving some of the oldest families in this vicinity.

Mr. Snyder states that although there is a new department at their garage, they can guarantee the same satisfactory service and the same reasonable charges that they have always made on their repair work on gas cars.
It will no longer be necessary to take your battery a long distance in order to have it taken care of properly, and you will consequently save both time and money by having your work done at this garage.
Arrangements may be made here for the care and storage of your battery for the winter, in case you intend to lay it up.

Unusual Values and Special Service
Just now with the holidays so near at hand all are making their dollars count to the greatest degree possible. However, all must have footwear.
Behr & Eyer, Driving Park Ave. and Dewey Ave., are offering some very special values which will appeal to all in need of footwear. One of these unusual values is an Oxford which has been selling for \$7.00 and is made a special, at this particular time, at \$4.85.
This firm is also prepared to put your worn footwear into the very best of repair, using the highest grade stock for the work and guaranteeing absolute satisfaction. Another important feature is the fact that a telephone call Main 662, will bring a messenger to your door for your shoes and they will be most promptly returned after being put in condition.
A call upon Behr & Eyer, and personal investigation as to values given and work done by them will prove most satisfactorily the real "worth-while-ness" of trading here.
