**Worth While to Visit Lalonde's Auto Supply Store.**

There is an indication that we are going back to normal times when we check up some of the prices on auto accessories, quoted by Lalonde's Auto Supply Store, 185 State St. corner of Allen. People apparently are beginning to remember that this concern is still in business—Three years.  
 Snow is coming—Why not take advantage of the wonderful values that are being given at Lalonde's before the coming of the early snow storms and accompanying sleet and insure yourself against a frozen radiator. Lalonde's are making special prices on Radiator and Hood covers and Auto Robes, also a fine line of heaters, which of course, are quite a necessity with the approaching cold weather. In connection with the covers and heaters they are also showing excellent values in cushions, visors, spotlights, piston rings, horns, tire covers, mirrors, flash lights, auto pumps, and last but not least, Weed Chains, which as you know, are a necessity at this time of year.

Case of Demonstrations.  
 "I am thinking of buying a car."  
 "Why buy? Have you had demonstrations from them all?"  
 "Not quite, but the demonstrators aren't quite so demonstrative as they were at first. The last one that took me shopping was even more unenthusiastic than the one that had taken me calling the day before. I think he was the one who put the demon in demonstrate."—Retail Ledger, Philadelphia.

 Welding and Brazing. Repairing Batteries Recharged.  
 We Remove knocks and skips or no pay

**A Lesson In Arithmetic**

In buying washing machines why not use a bit of arithmetic. The difference in price between the G. R. S. Electric Washer and one of the cheaper rattlers is a matter of 28%. In automobiles the difference between the best and a "Rattler" is over 700%.  
 If one of the popular "Rattling good" Flivers cost \$500.00 and for 28% additional or \$640.00 you could buy a new Pierce Arrow Sedan would you consider the Fliver as being good enough because it was a bit cheaper?  
 "The best is cheapest in the end."  
 Call at Ruth Electric Shop in Reynolds Arcade and they will show you why.

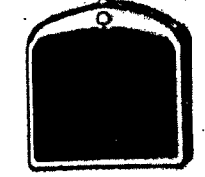

**Rochester Auto Top Co.**  
 Manufacturer and Mends Auto Tops, Curtains, Etc.  
 The Old reliable "Top people" are still manufacturing automobile tops, curtains, etc., as well as mending damaged ones.  
 The Rochester Auto Top Co. located at 50 Troup St., are old timers at the top and curtain game and the staff of assistants are also trained men. At this establishment one is assured of an expert job in repairing of the top, mending the curtains or any other of the innumerable jobs that are continually coming up in regard to the cloth and leather work on the automobile.  
 At this time of the year much comfort may be found in a car with the right sort of top. Let the Rochester Auto Top Co. advise you in regard to this and show you how much comfort may be obtained with not too great an expense.
