Dangers of Guessing When Operating Auto

Every rough and slippery road, every bit of crowded traffic, every extensive grade, every sharp turn or curve, every quick stop keeps the average driver of an automobile guessing.
While the guessing part of motoring may be interesting in one's first few trials, after a time becomes monotonous, uncomfortable and frequently unprofitable.
It is a guess with many just how the car will "act". When occasions arise necessitating a quick stop or a sudden start in crowded traffic, or "how she will act" when taking a steep grade or a sharp turn.
Intensified guessing with accompanied worryment of what will happen before the end of the journey is reached. All guess and worryment can be avoided by taking advantage of the service rendered all patrons of the Gould Storage Battery Service and Sales Station at H. Ellery Erhardt, 491 E. Main St. near the Scio, and having your machine equipped with a Gould Battery.

The Listman Market has built up an enviable reputation for reliability and gratifying service. Service and Satisfaction at Listman's. That's what the oldest patron's will tell you.

If You Have a Flock of Hens Try Newman Bros's Food

Starting with the early Fall Season, we find Eggs at extremely high prices, and with an upward trend which promises to greatly exceed today's market before the peak is reached.
This is welcome news to the fortunate possessor of a flock of hens, be their number ever so small, and it is to the Poultryman's best interest to carefully arrange the daily diet and feeding, so that the highest results in egg production may be realized, at the least possible cost.
With this thought before them, the Newman Bros. Grain Co. have arranged a system of feeding, which they are especially recommending to be used at this season, when the vitality of the Poultry is greatly reduced, owing to the Moulting period.
We advise that our celebrated Pilot Scratch Grain be fed regularly and that our Growing Feed be kept constantly before them until they are well feathered and have gained their full strength. Then replace the Growing Feed with our Lay or Bust Dry Mash and you will be well rewarded with results obtained.
Never in the history of poultry raising, has there been such a successful future assured to the poultryman and even the busy housewife may find a few minutes during the day to care for a small number of chickens and by this means make a fair margin of profit besides being able to supply her table daily with the luxury and nourishment of delicious fresh eggs.

Reduce Your Meat Bills

The house-wife will find it greatly to her advantage—both as to quality of meats and the saving in prices—to patronize the Listman Meat Market at 134 Dewey Ave.
Quality—because they deal in the best meats, fresh poultry and fish; Saving—because they conduct it as a Cash and Carry Market—and therefore eliminate much expense in carrying accounts and making deliveries and can therefore afford to sell at prices much more reasonable than others who must meet these expenses.
