Nell Bros. and Kern

One of the fine old establishments of Rochester is the monumental works, mantel and tiling business of Nell Bros. & Kern, located at 240 State St. This concern has rightfully won the position it occupies in its line of trade in this city, not only for the fine grade of work turned out and jobs well done, but like-wise because of the unusually square manner in which the business has been conducted.

It may well be stated to the credit of Nell Bros. & Kern that they have turned out some of the finest monuments for many citizens of Rochester. The artistic designing of these monuments and the fine workmanship of the stone-cutters clearly shows the pains and thought devoted to the producing of a type of monument that appeals to those who appreciate the best to be had in this line.

Messrs. Nell Bros. & Kern use only selected grades of marble and granite, featuring the Barre, Westerly and the Quincy granites.

In the mantel, grates and tiling branches of their work, this firm has its credit some of the most representative jobs complete in this section of the country. They placed all the marble work in the Court House building; likewise did the marble work in the Granite Building; both before and after the fire. They have to their credit some 25 or 30 bank jobs. In fact, the class of marble furnished and the work done for the banking field has played an important part in placing Nell Bros. & Kern in the position they rightfully occupy in this field.

Very fine skill has been shown in the mantel, grates and the tile work completed by Messrs. Nell Bros. & Kern in some of Rochester's best homes, including many of the modern and pretentious residences of this section of the State. This firm is well in position, through its years of experience, to do all kinds, the tile flooring embracing both foreign and domestic tiles. Usually fine designs have been carefully worked out at the hands of Messrs. Nell Bros. & Kern, and their exceptionally fine staff of skilled workmen. In fact the tile flooring and wainscoting features of their business have gone far to place this organization among the foremost concerns carrying on tiled flooring and wainscoting work. Their estimates and prices are exceptionally fair in consideration of the high class work produced.

Nell Bros. & Kern are well entitled to the consideration and patronage of those seeking the finer qualities of tiling. The firm is truly an asset to the trading interests of Rochester.

Modern Electric Appliances
The Ruth Electric Shop located in the Reynolds Arcade is unique in a way from the fact that it is one of three similar places in the United States. Heretofore no one devoted entire time to the appliance end; washing machines, vacuum cleaners, ironing machines, etc., were considered side lines to the electric dealer.

The Ruth Shop started out with main idea of service to its customers, and it has resulted in a wonderful growth of business in the Household Appliance line. The Ruth Shop was the first dealer to sell the far-famed G-R-S electric clothes washer.

All the cork used in the world in a year weighs little more than 1,200 tons.
