A Real Time and Labor Saver

All are interested in any suggestions that will relieve them of waste of time and physical strength.
A very important suggestion in this line is the Thor Electric Ironer. There is no excuse now to iron by hand another day. The new Thor Automatic at a rock bottom price, within reach of all, as the customer may make a small deposit, receive the ironer, save on laundry bills and in time and quickly be paid for in this manner, is the solution.
The Ruth Electric Shop, 14 Reynolds Arcade will gladly show you what "one finger control" means. This ironer works and handles very similar to an automobile, in gear shift; you simply sit down and guide it and the motor does all the work. A touch of one finger opens and closes the shoe which opens wide for easy cleaning and waxing. It has a stationary feed board, no belts to bother and no "attachment" is needed. A stool is furnished free.
The Thor irons practically everything, and as beautifully as the best laundress can. Special provision is made for ironing cuff bands and ruffles on the open end of the ironing roll.
Let the Ruth Shop demonstrate and prove the absolute worth of the Thor.

Sage, Wolcott & Steel

Sage, Wolcott & Steel, Investment Bankers, located at 511-517 Wilder Bldg. are exceedingly conservative to the small investor as well as the large. Baby bonds of \$100 and \$500 denominations are obtainable on highest grade corporations, railroads and municipalities.
Investments have dropped from approximately 7 1/2% one year ago to about 6% today on higher grade Industrial and Railroad bonds. Indications point that in the near future we will have a money base parallel to 1914 or about 4 to 4 1/4%. The wise man is taking advantage of the prevailing rate on high grade investments at this time, particularly in buying long term securities.
The organization is made up of conservative men of this locality who have devoted years of study to this business. Mr. Sage was associated with the Rochester Trust for many years; Mr. Wolcott has devoted his entire time to investment securities since 1908 and Mr. Steele likewise has had several years experience in the business.
