 One of the old and well established concerns of Rochester is T. H. Marrion & Co. located at 478 State St. It was established in 1895 by Thomas H. Marrion, and engages in the manufacturing of and dealing in monuments, headstones and cemetery memorials.

The name Marrion takes high rank in this community owing to the unusually fine workmanship in the turning out of monuments of distinction and fine designs. The business was taken over in 1914 by John A. Casey under the management of T. F. Eagon. One of the finest stocks of Italian marbles in this section is carried by this concern. The Quincy, Westerly and Barre granites are used by the T. H. Marrion & Company and are the best the market affords. The name Marrion has been retained in the construction of the firm's affairs owing to the unusual good will and value of this name to the business. The work and service of T. H. Marrion & Company include both the marking of designs and the execution there-
