W. S. Cownie becomes associated with Leading Industrial Financing Firms

During the past month we have become associated with one of the most reliable and leading industrial financing firms of New York City. Namely MacFadden and Company. This firm handles only the best of Consolidation, Expansion and Reorganization issues, and has a record for honesty and reliability that is second to none, numbering among its clients, members of the most prominent families of New York City and vicinity.

The Cownie Investment Service by allying themselves with this firm become their local representatives and anyone buying their issues of bonds at wholesale or retail must do so thru this office or our representatives. Our territory covers Buffalo, Rochester, Syracuse, Erie, Pa., and all adjacent counties.

Before we take steps to finance a Company, or Corporation they must submit themselves to a most rigid investigation. The first, The safety of the investors money. Second, The policy of the company being financed. Third, The management of the company. Fourth, The probability of good earning power under good management. No Company is considered that fails to qualify in all these respects.

We have at all times two representatives on the board of directors of each Company that we finance to protect ourselves and our clients as we are directly interested financially. We trust that you will permit us to show you our offerings and to convince you that it is only the best class of securities that we handle. At present we have to offer 7 1/2 Gold Bonds of the General Chinaware Corporation, having associated with it a representative of

the Chase National Bank of New York City, and for the production, end, a former general manager of the De Haviland China Company, and latter manager of Tiffany's Chinaware Department. The General Chinaware Corporation are the manufacturers of the famous "Belleek" chinaware, which you no doubt know, has a world wide reputation for its excellency. We also have a few units of International Oil and Metals Company 8 1/2 Bonds, which is a consolidation issue. This company owns and controls some of the finest oil and mineral properties in the country. As soon as we dispose of these issues we have several more of equally good standing who are soliciting our aid. You have our assurance of good service and secure investments which will be explained in person.

Rochester's Up-To-Date Trimming Department

One of Rochester's great up-and-coming garages is run by Mr. R. Patterson at 126 N. Fitzhugh St. This garage is made up of several departments, such as the Trimming Dept., Painting Dept., Sheet Metal Dept., Radiator Dept., and the Storage and Overhuling Rooms. The Trimming Dept. stands first in the line, as it is one of the best things about the Patterson garage. Here they make a specialty of practically everything in the way of fixing up an auto. They make new tops and curtains, fit old curtains to open with doors, put in glass or celluloid in the side curtains. Their upholstering work is of the finest and they furnish new silk curtains, carpets and slip covers. First class work at reasonable prices on any make of car, open or closed in their specialty, and their courteous attention makes it a pleasure to ask for an estimate.
