Rabe's Complete Auto Repair Works

Leadership in any line is a job. It is a reward of merit for dependable and better service even in industry, art or science, based on the old slogan "He profits most who serves best." Success cannot be purchased, it must be earned. The name "Edward Rabe" is recognized in the automobile circles of Rochester as standing for complete service either in rebuilding or repairing of automotive equipment. It is truly a characteristic of Edward Rabe and his thrifty, progressive firm that it has gone one step further than most men engaged in this line of work by extending to the business and professional interests of Rochester a valuable and real road service, subject to any call, anywhere, or at any time. Rabe's road service has proven its dependability through test, well justifying its name "Rabe's Right to the Minute Road Service." It is a slogan that comes to the minds of a continually increasing number of Rochester automobile owners and operators whenever they find themselves with car or tire trouble.

Throughout the Rabe shops have been standardized with one thing in view: Results and Dependability through efficiency, a word these men thoroughly understand the meaning for through years of practical and personal experience in rendering a complete automobile repair and rebuilding service to the trade.

Up to Date.

The great detective scowled thoughtfully. "Jack and Jill," he read from the report before him, "went up the hill to draw a pail of water. Jack fell down and broke his crown and Jill came tumbling after." "Humph," said the master's mind. "That seems to be simple enough. A plain case. These two joyriders found their radiator getting hot while speeding in a mountainous section. They tried to make it tough grade on tow, but it was too much. Then the brakes refused to work. The man got panic-stricken and stumbled out of the car on his home. The bus kept on going down the slope and took the dame along with it. Both of 'em carried accident policies and the car was probably insured, too. I advise both companies to suspend payment till the driver can prove he wasn't under the influence."—Life.

Schwartz and Menzenberg

The above firm who are successors to Doyle Brothers are located at So. Water and Ely Sts. which location they removed to from 22 Cortland St.

Both Mr. Schwartz and Mr. Menzenberg are experienced men in the line of work conducted by them. Mr. Schwartz was for eighteen years foreman for J. S. McConnell and Mr. Menzenberg was also connected with the same firm. March 1st they bought out Doyle Brothers and are continuing the business established by Doyle's fifteen years ago.

The sheet metal work done by this firm covers everything in this line of work as Roofing, Furnaces, Machine Guards and Auto Work. In fact, wherever sheet metal is used they are thoroughly equipped to handle it, no matter how big or small the job may be.

Fishermen Netted Submarine.

Some fishermen out in their boats near Hyeres made a catch that nearly ended one boat load, reports the London Times correspondent at Paris. They caught a submarine in one of their nets. The boat to which the net was attached was in danger of being drawn under the water by an unseen and unknown monster, and, though frantic efforts were made to free the boat by cutting the net away, it might have gone badly with the crew if the commander of the submarine, wondering what he had run into, had not brought his vessel to the surface. The boat was almost completely swamped by the sudden rise of the submarine, which had to rescue the crew and tow the boat into port.
