### Knitrite Hosiery

The Knitrite Hosiery Co. of Utica, N. Y. is represented in Rochester and surrounding counties by A. F. Reilly, formerly of Utica, N. Y. He has recently opened an office at 257 Main St. East, and caters to the consumer direct from the Mills, through agents. Hosiery for all the family from the cheapest to the best. Mr. Reilly knows hosiery in all its details. He knows silk from the cocoon to the cloth.

Mr. Reilly has long been a member of Utica Council Knights of Columbus. Was Lecturer for five years and was instrumental in the erection of the finest K. of C. club house in the Country at the present time, but fears this will be surpassed by Rochester Council in the near future. He comes to Rochester with an enviable reputation for square dealing and any one buying Knitrite Hosiery may feel perfectly safe with Mr. Reilly at the helm.

### D. G. Husted, D. C. Ph. C.

Don G. Husted, D. C., Ph. C., the well known Chiropractic Physician has gained a splendid practice in Rochester since locating in this city. His offices are maintained at 441 Powers Building. During the fifteen years that he has been a resident of this city, Dr. Husted has made many friends both in and out of his profession. In his work he is eminently qualified by a most thorough preparation and training. He has pursued courses of medical study at the University of Buffalo Medical College and was an associate with Edwin D. Babbitt, N. D., LL. D., contributing important discoveries in laboratory therapeutical researches. Dr. Husted is a graduate of the National College of Chiropractic of Chicago, Ill., and owing to his sincerity of purpose and desire to keep abreast of his science he has completed a post-graduate course of study receiving the advanced degree of Philosophy of Chiropractic (Ph. C.).

The marked technique of his work as carried on in his practice, resulting in extreme gentleness, has been much commented on and appreciated by his patients who give him credit for painless spinal adjustments. Due to his studies on this subject and his skill demonstrated at the National College of Chiropractic his advanced work in this technical feature was highly commented on and his painless methods are now being followed out there in the class study and classes.

### Miller Drug & Electric Co.

On Dec. 10th, 1919, the Miller Drug & Electric Co. opened their doors for business at the corner of West Main and Elizabeth St., the same location that the same family have occupied for more than sixty years.

The business now under the direction of A. J. Miller Jr., and Edward A. Miller has grown steadily and now employs thirty-six persons in the different departments. Each department is under a trained man making an efficient force. The stock of drugs is one of the most complete in the State; and the beautiful Fixture display room on the second floor of the Miller Build is a surprise to those who see it for the first time.

Electrical contracts are now carried on in all the adjoining counties, and whenever a new electric line is extended into a new territory the Coffield Electric Washing Machine and the fixtures purchased at the Miller Drug & Electric Co. are among the first to lighten the labor and the life of the new electric friends.

### A little about cleaning the inside of a closed automobile

How many owners of closed cars know that the cloth upholstery in their cars can be cleaned? First, did some repair man accidently put his greasy hands or rub his overalls on the upholstery? Second, have you or one of your family spilt something? Third, is your cloth dirty from age or hard and long usage?

I have been cleaning upholstery, both automobile and furniture, for the past four years. During this time I have cleaned about one thousand cars and have never received any complaints, and I realize that where there are no kicks, the work must be satisfactory.

The preparation I use I make myself. After five years of experiment on all kinds of cloth.

I have been doing this work for private owners, high-grade automobile paint shops. In connection with cleaning upholstery, I do simonizing. All of the above work is done by men whom I have trained and are competent to make your car look 100% better at little expense.

E. D. Thompson, 144 Hampden Road.

No man is "the worse" for knowing the worst about himself.
