Distributors of World Famous Lubricants

The Rochester Oil and Paint Co. are the Western New York distributors for Monogram Oils and Greases, which have enjoyed a splendid reputation for quality since the first days of motoring. While these lubricants have always been in great demand by motor car manufacturers and dealers it has remained for the Rochester Oil and Paint Co. to handle Monogram in such a way that anyone desiring any Monogram lubricants can obtain any desired grade without delay. In other words, this company is giving splendid service and that combined with Monogram quality is a combination which is increasing business in this line very rapidly.

The Rochester Oil and Paint Co. is also building a fine reputation on their paints and roof coatings. Their "Rochester Roof Coating" is filling the long felt want for a roof coating which is very easily applied and which will make a very durable weather-proof surface where it might be supposed a new roof was the only solution. This material is in great demand due to its remarkable qualities and the saving effected thru its use.

The men connected with the firm are all well known in Rochester and vicinity. Mr. A. A. Davis is manager of the oil sales department, while Mr. J. C. Waldvogel has charge of all paint sales. Mr. Ralph K. Richardson, John D. Mathews, Edward H. Then and Ralph D. Bickford are also active in the companies interests.

Sanitary Desks

In these days of soft coal, dust and grime, it is difficult at best to keep your desk clean and sanitary—A great aid is a glass top because that can be washed without removing the varnish as happens to the wood finish. If your desk is unfitted with glass top call on The Beardsley Glass and Glazing Co., Inc., 1 Frank St. or phone Main 2804 and they'll tell you how and what to do.

To The Man Who Boards

Ever get up in the morning ten minutes late to start with and then find a button off your trousers? Next a rip in your shirt, a vest button off?

You have not time to make the needed repairs or if you had, needle and thread were not forthcoming! If those needed articles were on hand, and you tried to do the necessary mending you pricked your finger because you had no thimble and spoiled your breakfast.

Anyway how many of us boarding men know how to mend, darn or sew. There is no need of us work men wasting half an hour of valuable time trying to do something in which we have no experience at all. Just take your clothes to "The Place to have your Clothes Mended" at 458 East Main St., corner Swan St. They have the people "who know how" and just leave it to them. "Bring Them In."

Cookery A Science

Nowhere in Rochester is the science of cookery exemplified to the best degree as at Warth's Chop House at 29 Stone St. It's just far enough from Main St. that Warth can serve you just a little better for the same money than can the restaurateur who pays the highest rent in the congested district. If you have not eaten at Warth's you have missed a real treat that is if you appreciate good cookery well served in pleasant environment.

Add Magnetic Influence.

A strange phenomenon, due, according to scientific authorities, to still unexplained magnetic influences, has for a whole month been observed daily in London. Watches and chronometers have been stopping suddenly. It has been useless to take them to the watchmaker, who could not detect the trouble, nor remedy it, after the lapse of an hour or two, however, the watches begin going again, and all that is needed is to set them at the right hour.

"We Save You Money"

Thrifty housewives are learning that there is money as well as pleasures in the old time basket on arm and personal purchase of all food products especially where they can inspect the wares and make their own selection. That is why the housewives patronize the Hart's Self Serving Grocery Stores owned by Rochesterians, operated by Rochesterians for the benefit of Rochesterians.

And many a girl's shirtwaist is rumpled from too much pressing.

Some men who pat you on the back would rather punch your head.

A bachelor says that love turns out more pessimists than optimists.

A person who tells you the faults of others will tell others of yours.

The richest pearl in the Christian's crown of graces is humility.—Good.
