The One Place To Eat

From Main to California, from Calgary to New Orleans travellers who are connoisseurs in cookery, cuisine and comfort in eating and eating is one subject all love to discuss be he robust or dyspeptic the verdict is unanimous; That the Powers Hotel in Rochester is the peer of all hostleries.

Mine Host Messner has had years of experience in Catering to the traveling public and he knows how to arrange a meal that would tempt any appetite. It is one thing to set a table, to select the foods but it is an art to cook and serve foods in tempting and appetizing combinations. This art Mr. Messner knows to a T and so he never engages a chef unless he measures up to the Powers standard.

The Columbus Club is made up of men who know and enjoy a good meal and their tribute to the Powers business men's club luncheon is evident by the fact that every Thursday at noon the Columbus Boosters gather in the club room and partake

Ever eat in the Powers Rainbow Room? You have missed a treat.

If you want to serve yourself, try the Powers Cafeteria—same food as in the regular restaurant only you do not have to wait to be served and you pay less.

Do You Drive An Enclosed Automobile

If you do, of course you have come to the point where your upholstery becomes soiled by reason of much usage, you do not know how to clean it and if you do probably you have not the pep to start opening or pocket book. A phone call to Main 653 will bring an estimate of it.

But whether you know or not it is a safe bet that you can not do it as well as an expert who specializes in just that sort of service.

E. D. Thompson, of 144 Hampden Road, specializes in cleaning all kinds of cloth upholstery in closed automobiles, slip covers and head lining in open cars. Thompson's method can also be applied to upholstered furniture. He guarantees satisfaction.

Rochester Footwear Parlor

Men and women of quality are judged as much by the style and fit and make of their footwear as by any article of their clothing. Neat footwear stamps the wearer as refined in taste and discriminating as to general appearance because an ill fitting badly assorted shoe spoils the finest costume.

The place in Rochester to be sure of fine styled, well made and perfect fitting shoes is Gould, Lee & Webster at Main St. and East Ave. This firm is one of the established shoe centers in Rochester and has a reputation that never has been dimmed in the many years it has supplied footwear to a discriminating public. They carry a large stock of all priced shoes and are specializing in white footwear of exclusive pattern for summer and vacation wear.

If you want moderately priced, classy footwear you can buy them at Gould's

Swat the Fly - Kill the Mosquito

These are fine mottoes and we should all keep them in mind because both flies and mosquitoes are prolific germ carriers and they spread typhoid, malaria and other infectious diseases.

But why allow these germ carriers in our homes and offices? Time was when we could not keep them out but in this age of screens made to fit every size and shape of window and door there is no excuse for admission of flies or mosquitoes, where we live and especially where we sleep.

Now is the time to call on the Building Specialties, Inc., at 61 Mill St. They specialize in screens to fit any size opening or pocket book. A phone call to Main 653 will bring an estimate of it.
