Farm Supplies

These is one established firm in Rochester that specializes in farm supplies of all sorts. It is hardly necessary to mention the name. Everybody hereabouts knows Burr & Starkweather Co. and knows their place of business, 42 48 Stone St. Just as every supervisor who ever stood under the willows at Newport at the Monroe County Supervisor's picnic that the old times do not inquire for Uncle Chauncey.

Old-timers knew that Burr and Starkweather goods stood up under every test and they knew the firm's guarantee was as good as a government bond. The old-timers' children have been told of the Gibraltar-like solidity of the Burr-Starkweather house and they are following the tip of their forebears because they find their advice good. Their farm supplies are modern in make and design and quality while their prices are as low as consistent with quality and their salesmen are anxious to please courteous in service and never too busy to extend every aid to their patrons, old and new.

Nifty Signs

Do you want something different and which will bring you the best results. Call at the Jitney Sign Shop, 15 Market St. We have the unique way of bringing your business to the eyes of the public.

The plain old advertising sign of years ago has lost its usefulness. What you want is something new and different which will cause people to stop and look, and bring out the worth of your product to the bustling world of today.

Have you ever stopped to think what a good sign means to the merchant of today? Not an ordinary sign, but one with that reaching out drawing tendency to arouse people's curiosity and at the same time bring them to know and ask for your goods.

If you are looking for a sign that pulls. Call and see us at 15 Market St.

It Will Look Like New

Now is the opportune time to have your car painted before going on your vacation. What is worse than to see a party of tourists well dressed, taking a vacation in a dilapidated looking machine, just through the carelessness of its owner to have it painted.

You know people these days judge you by the car you drive. Also your character by the cleanliness of your car. So you see it pays to have your car up to the minute.

You bring it to me and select your color, I'll do the rest. You will be greatly surprised to hear the compliments you will receive when your friends see your freshly painted machine.

Paint preserves the life of your car. Fool the public. Paint the old one, so it will look like new.

Invest Your Money

Ridiculous so a great many people say, investing one's money in stocks and bonds. But just stop and think of that \$100 you may invest through me, may be the means of bringing you \$500 or perhaps more in due time.

You may depend on me to invest your money so as to bring you the results. Nothing never ventured, nothing gained. This world is a game of chance, so why not be awake in procuring yours, which will bring happiness to yourself also your children. For whatever you gain through chance is theirs, and we all want to give the little ones the very best in life, and by this one chance I offer you, of investing your money, will do the trick.

Call and see me and we will talk it over. Bring in your pocketbook and I'll see that we double the contents in a short while.
