Are you in need of a new Kodak Camera? If you are, call and see Wm. Yalovich Drug Company, 656 Hudson Avenue. We have a splendid line of Eastman Kodaks and Cameras, and with every purchase of same we will give you a film free. Do not misconstrue the meaning that all we handle is kodaks. Oh! No. We handle a complete line of drugs and fill prescriptions and give you prompt service. When you are suffering from a toothache or headache, etc., why go uptown when you can obtain relief by calling on us and letting us take care of you.

Pay us a visit before going on your vacation and look over our stock and get the necessary articles before leaving the City on your trip. When one is traveling there are a great many drugs and equipment against sunburns, scratches, bites, etc., that should go in your bag so if you will see us we will be only too glad to assist you in preparing your traveling medicine kit.

SPINDLEMAN'S

Dropped in at Spindelman's, 248 State Street, lately?

Say that is a miniature department store along certain lines.

In the first place you can purchase there all sorts and varieties of glassware—some of the sort that you had supposed had passed on and kicked yourself because you had not laid in a supply.

If you are interested in copper boilers, Spindelman has them in all shapes, sizes and styles.

Spindelman carries a full line of hardware and tools of all kinds.

He is well supplied with copper kettles and other supplies if you are interested in this line.

And then he has a fine line of rubber syphon hose, wooden bowls and electrical supplies.

It would take too long now to enumerate all you can find at Spindelman's. Just call round and look the line over. We predict you will not come out without finding something you need.

HANSS ELECTRIC COMPANY

Yes, we are ready now to figure on the wiring of your home. Gas light is beginning to be a thing of the past in homes. We are eager to wire your house so you will be up to the minute and when you begin to spend your evenings in the house in the Fall, it will be with pleasure that you can read by your electric lamp and in the most convenient place, near your easy chair.

We repair motors and generators, giving you prompt attention so that your work will not be delayed or held up.

Call me and get the figures on wiring and lights in your office. We will be on the job right away, as we are planning on pleasing you and solicit your business.

Come in and see our shop and let our men explain and show you our statements and letters of service rendered in the best homes in the City. Call Main 7111 or Main 840, 163 North Street.

GRIND YOUR LAWN MOWER?

Not in years has the grass on the lawn grown faster than in 1922. Plenty of rain? Maybe that's it. But the fact remains that the green grass grew all around this year as never before.

And may be it did not dull the lawn mower? And is there anything that rubs the fur the wrong way or frazzles the nerves more these hot days than a dull, cranky lawn mower?

My lawn mower does not get on my nerve. Why? Because I send it regularly to Edward's Bicycle Shop, at 21 York Street, or call up Genesee 3027. He keeps my lawn mower in apple pie shape at reasonable rates and it cuts so nice and even and so easy. Really, it is not even mild exercise to cut my lawn after Edwards fixes up the lawn mower. He not only sharpens but adjusts and repairs.

He also carries a full line of bicycle parts and supplies.

Get acquainted with Edwards. Once you patronize him you'll never leave him.

Love is stronger than hate and an onion is stronger than either.

One young man's ideal girl doesn't care for ice cream or oysters.

Some women are like bar-tenders—always getting things mixed.

In the interior of an ordinary piano there is about a mile of wire.
